EXAM TIP ▲

Let's learn the difference between “기부” and “기증.”

- 기부: Means to give money, items, etc. at no cost for the sake of public service.
- 기증: Means to give something of oneself for another without expecting anything in return.

These two words are used in everyday life without distinction, but when giving something to a place with a public purpose, such as a fundraising group or public organization, “기부” is used, and when giving a personal item or a part of your body like an organ, “기증” is used.
